## Civics & Economics – Powers of Congress

Use Chapter 6, Section 2 (pages 146-150) to identify the powers given to Congress as outlined in Article One of the Constitution, and place them in the first column. Then identify some implied powers related to the powers listed in column one, and place those implied powers in column two.

| Expressed Powers of Congress -> |             | Implied Powers of Congress → |
|---------------------------------|-------------|------------------------------|
|                                 |             |                              |
|                                 |             |                              |
| 1.                              |             | 1.                           |
| 1.                              |             | 1                            |
| 2.                              | Money       |                              |
| 3.                              | Powers      | 2.                           |
| 4.                              |             |                              |
| 5.                              |             |                              |
| 1.                              | Commerce    | 1.                           |
|                                 | Powers      |                              |
| 1.                              |             | 1.                           |
| 2.                              | Military &  |                              |
| 3.                              | Foreign     |                              |
|                                 | Policy      |                              |
| 4.                              | Powers      |                              |
| 4                               |             |                              |
| 1.                              | Other       | 1.                           |
| 2.<br>3.                        | Legislative |                              |
| 4.                              | Powers      |                              |
| 5.                              | FOWEIS      |                              |
| 6.                              |             |                              |
| <u> </u>                        |             |                              |

| Nonlegislative Powers → | Denied Powers ->           |  |
|-------------------------|----------------------------|--|
| 1.                      | 1. Writ of habeas corpus → |  |
| 2.                      | 2. Bills of attainder →    |  |
| 3.                      | 3. Ex post facto laws →    |  |
