

Unit 3 – Culture (Religion in the United States)

Part I: Color the map by major religious regions in the United States. Use the map on page 203 in your book for help. Be sure to create a legend or label the regions once you have colored them.

Part II: Fill in the table below about three of the religious regions: Southern Baptists, Upper Midwest Lutherans and Mormons. The second column should include the history or development of the religion in the United States and the last column should include two factors that influenced the distribution of the religion in the United States.

Religion	History	Factors
Southern Baptists		
Upper Midwest Lutherans		
Mormons
