### Unit 4: Political Geography – Colonization

**Part I:** Use pages 230-231 in your book to complete the map. Be sure to include a legend.

**Part II:** Answer the question below about colonization.

1. Which European countries led the first wave of colonialism?
2. When did the second wave of colonialism begin?
3. Who were the major colonizers during the second wave of colonization?
4. What was the purpose of the Berlin Conference?
5. What motives drove the Europeans in their desire to colonize Africa and other lands?
6. Sometimes Europeans would place capital cities in a particular location to show that they had the intention of using land that was not in current use (called forward capitals). See if you can find an example in South America.
7. Europeans created empires as they colonized an area. Three types of empires existed: land, sea, and settlement. See if you can define each and come up with examples.)

Types	Definition	Examples
Land		
Sea		
Settlement		

8. What colonial impact can still be seen on some countries today? Give three examples.
