

Nature vs Nurture Debate

- 3 major issues in developmental psych (name and define):
 - 1.
 - 2.
 - 3.
- **Twins**
 - Identical
 - Fraternal
 - Twin Studies

Gender Development

- **Gender:**
 - What is the difference between sex and gender?
 - Which gender tends to be more aggressive? Why?
 - Explain the power differences people perceive between genders.
- **Gender Roles:**
- **Role:**
 - What is the expected gender role of men vs. women in the US?
 - Is that the same in other cultures?
- **Gender Identity:**
- **Social Learning Theory:**
 - Example:
- **Gender Typing:**
- **Peer vs Parental Influences**
 - Peer
 - Parental
- What is the general conclusion about which is more influential on development—nature or nurture?
- How much credit or blame do *you* think *your* parents deserve for the person you are today? Why?
