

**Unit 5: Agriculture – Agricultural Revolutions**

**Directions:** Research the three agricultural revolutions. Use the instructions below to complete the assignment. You will submit an electronic copy to Turnitin. A hard copy is due at the beginning of your class period.

**Agricultural Revolutions**

- 1<sup>st</sup> Agricultural Revolution
- 2<sup>nd</sup> Agricultural Revolution
- 3<sup>rd</sup> Agricultural/Green Revolution

Write a paragraph about each of the revolutions listed above. Do not cut and paste information from various websites. At the end of the assignment, you will create a Works Cited page. Parenthetical citations are mandatory. Do not use Wikipedia, about.com, Infoplease, encyclopedias (online or text) etc. as a source. Be sure to include the following information in each paragraph:

- Brief history
- Time period
- Inventions
- Forms of Agriculture used
- Socioeconomic impacts
- Effects on the land
- Works Cited page with MLA citations & parenthetical citations

In your last paragraph you will use what you already know about agriculture revolutions and technology/development to predict the 4<sup>th</sup> agriculture revolution. Using a combination of fact based evidence and your personal prediction you must answer the following questions:

- What might the 4<sup>th</sup> agriculture revolution be?
- What lead to this revolution?
- How it might affect the developing world?
- How it might affect the developed world?
